Cancellation inside of 24 hours of the scheduled appointment will be billed at the normal rate of a single session. Any make-ups must be made on the scheduled make-up day during the month in which the lesson was missed. Make-ups are not accumulative or retroactive.

Lessons are not cancelled due to extreme temperatures. In the deep cold or extreme heat we move lessons into the barn to work on horsemanship. Please do not cancel lessons due to these conditions.

Please be sure to discuss these policies with you instructor so we can decide what is the best plan for you!
